

**4:12 Learning Objectives - Young Communicators for Christ (YCC)
6-10 year olds**

In our ICC learning environments, our youngest communicators for Christ experience a welcoming community and interactive, high energy educational activities designed to achieve the following learning outcomes:

- Explore various speech genres, including:
 - Story telling
 - Persuasion
 - Humorous
 - Informative
 - Speaking with limited preparation
- Experience a safe, encouraging, and interactive learning community
- Practice characteristics of outstanding public speaking, including: poise, facial expressions, appropriate gestures, inflection, projection, and more
- Discover and apply SOAP respect: showing respect for sources, others, authority, platforms
- Analyze and apply communication skills to real life situations
- Gain confidence in expressing opinions
- Speak on the public platform
- Learn to model exemplary behavior from extraordinary teenage role models and coaches
